

15,000 Y A

After the glaciers retreat,
people arrive from Spain to
England, Ireland, Scotland (which
was one land mass with France)
by walking along the Atlantic
Coast. (The English Channel and
Irish Sea are still land).
They spoke a language related to BASQUE

15,000 YA to 7,500 YA

75% of British and Irish
ancestors arrive 15,000 to
7,500 yrs ago.

The rising sea levels split
Britain and Ireland from
the Continent and each other
